SALMAN SADIQ FARI

Address: NO 1 AGWA GWA AVENUE HOTORO GRA KANO
Email: salmansadiq20@gmail.com
Phone Number: 08021110646

Objective

Internship in the Data Science Field

Education

Bells University of Technology
Bachelor of Technology in **Computer Science**
Major GPA: **3.96**
Class: 300L

Relevant Coursework:
Further Calculus, Statistical Theory, Computer Programming Methodology, Numerical Analysis, Statistical Methods, Object-Oriented Programming, Information Technology and Society, Data Analysis, Operating System I, II, Data Structures and Algorithms I, II.

Skills

Software: Python Programming language, Operating systems (Mac OS & Windows), Jupyter notebook, Google Colab, Data Visualization & Predictive Analysis, Numpy, Pandas, Scikit-Learn

Projects

- AI commons Project
- Predictions using Titanic Dataset
- Housing Prediction

Certificates

- AI Commons Workshop
- Introduction to Python
- Python Data Science (Toolbox part 1)
- Intermediate Python
- Python Programming Track
- Python for Data Science and Machine Learning Bootcamp

MEMBERSHIP

- Member Data Science Nigeria (DSN)
- AI+ Club Bells University

- Startup Kano

Work History

AI Tutor
- Assisted students in Learning The Basic Concepts And Applications of Artificial Intelligence In Real Life Scenarios
- AI Problem Documentation on Pandemics
